MEMORANDUM

TO: Agency Heads  
Human Resources Directors

FROM: Steve Stevenson, Commissioner

SUBJECT: State Employee Recognition Day

Wednesday, May 6, 2009 has been designated "National State Employee Recognition Day". As part of this observance, Governor Perdue will issue a proclamation to honor the event.

Although budget concerns prevent the State Personnel Administration from sponsoring the annual statewide awards program and luncheon, we are encouraging you to take this opportunity to honor your employees within your respective agencies.

Attached you will find a list of suggested Agency Level Activities that you might consider to plan events for your agency. This list includes many low cost and no cost options for you.
